

Every school needs a lawyer. **Now every school has one.**

Legal Buddy is a legal marketplace connecting clients with vetted lawyers, with Zara — our AI legal assistant — as the first point of contact. For schools, that means the legal protection a big institution has, at a price an independent school can afford: contracts, compliance, fee matters and incident response, plus affordable legal access as a benefit for your staff and parents.

WHAT THE SCHOOL GETS — LEGAL-BUDDY.CO.ZA

Zara answers first

Ask Zara anything — an employment question, a parent dispute, a supplier issue. Instant plain-language guidance on where you stand and what to do next, before you spend a naira or rand on fees.

Vetted lawyers on demand

When it needs a professional, Legal Buddy connects you to a vetted lawyer with the right speciality — education, employment, property, debt recovery — at transparent marketplace rates.

The paperwork that protects you

Staff contracts, enrolment agreements, fee policies, supplier terms, incident procedures — reviewed and tightened by professionals, so problems are handled on paper before they happen in person.
